“ Simply amazing! We decided on the 10 Day Private Tour because of the itinerary and the great value in terms of price. High quality of hotels, excellent service, warm welcome, knowledgeable guide, and clockwork transfers. It was really a first class trip. Serbia is incredibly diverse; from central European cityscapes to isolated Serbo-Byzantine monasteries the differences couldn't be greater. We were taken to medieval fortresses and mountain villages, through lush national parks and steep gorges, all with very hearty meals and, of course, the national drink 'rakija' in between. The tour gave us a taste of it all. It was a great introduction to this fascinating and beautiful country.

Thomas Müller, Germany

“ This amazing adventure showcased Serbia's rich history and natural wonders. I loved the Šargan Eight railway experience and the awe-inspiring Golubac Fortress overlooking the Danube. The griffon vultures at Uvac Canyon were a rare and thrilling sight! Our group bonded over traditional Serbian meals, and the free time in Belgrade allowed us to explore at our own pace. This tour is ideal for anyone looking to discover hidden gems and iconic landmarks, like these, which one can find in Serbia.”

Anna Peterson, Sweden

I was particularly moved by the Red Cross Concentration Camp in Niš, which gave profound insights into Serbia's wartime history. Each stop was well-planned, and the guide storytelling made every historical site feel alive. I left Serbia with a truly deep appreciation for its heritage.”
